Submitted to His Highness.

The report of the Committee appointed in Government Order No. 1227-887 dated 19th January 1923 for the selection of the men for retirement from among officials with 25 years qualifying service and for the absorption in the vacancies created thereby of officials discharged on account of retrenchment, has been received on the -- . 16th instant. As stated in my D.O. letter No. P. 263 dated 22nd February 1923 to the Private Secretary, the Committee was confidentially informed that only men who are reported to be inefficient or who have already reached the age of superannuation should be -- selected for retirement. Accordingly out of 1800 officials whose names were included in the lists submitted by the Heads of Departments, the Committee have recommended the retirement of only 269 officials besides 4 Amildars. Of the 269 officials, 214 are either already superannuated or would be superannuated about the 1st July 1923. Forty one are proposed to be retired on the ground of inefficiency, incapacity or misconduct out of 360 reported unfit on this ground and the remaining 14 have been selected out of 67 persons who had voluntarily applied for retirement in order to obtain the benefit of the Government Order referred to above.

The proposals of the Committee were considered in Council on the 21st instant when it was resolved that the draft order as revised in Council may be approved.

The Committee have recommended four Amildars for retirement but the Council propose that only two Amildars whose names are mentioned in the draft Government Order as revised in Council need be retired. The other two are proposed to be retained, as they are - graduates and are only about 52 years. The draft order may be graciously approved.

I may mention that this subject was referred to in my opening address to the Representative Assembly and I believe the misapprehension that existed in the matter has been dispelled.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat,

Bangalore, dated the 16th June 1923.

From

M. A. Sreenivasan, Esq., B. A.,
Secretary, Committee for the Selection
of Officials for retirement and for
the absorption of discharged officials,
BANGALORE.

To

K. Matthan, Esq., B. A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

Sir,

With reference to para 8 (2) of Government Order No. 1227-87/G.M. 97-22-1 dated 19th January 1923 constituting a Committee for the selection of men for retirement from among officials with 25 years' qualifying service and for the absorption into service of officials discharged on account of retrenchment, I am directed to forward herewith for the orders of Government the report of the Committee together with its 8 annexures.

2. Subsequent to the circulation of the report among the Members of the Committee, the Inspector General of Education has recommended that one C. Narayanaswamaiya, Assistant Master, Kannada Girls' School, Mulbagal, (pay Rs. 20/-) may be retired as he is very inefficient, and the Inspector General of Registration has recommended that Mr. B.T. Ramaswami Iyengar, Sub Registrar, who has expressed his willingness to retire, may be permitted to do so.

3. The Chairman of the Committee is of opinion that the recommendations of both the Inspector Generals of Education and Registration may be accepted.

I have the honor to be.
Sir,
Your most obedient servant,

M A Sreenivasan
Secretary.

58

(17)

Report of the Proceedings of the Committee appointed under Government Order No. 1227-87/G.M.97-22-1 dated the 19th January 1923 for the selection of men for retirement from among officials, with over 25 years service and for the absorption of officials discharged on account of retrenchment after not less than 2 years' service.

---

1. The Committee commenced its sittings on the 30th April 1923, and met again on the 8th May, 25th May and 1st June 1923.

2. Mr.Bhore, Chief Engineer for Irrigation in Mysore, was present by invitation at the last two meetings of the Committee.

3. According to the instructions of Government contained in the Chief Secretary's D.O.No.4580 dated 13-3-1923, selection for retirement was made only from among those officials who had either attained the age of superannuation (or would attain that age on or about the 1st July 1923) or had been definitely reported to be inefficient and therefore recommended for retirement by the Heads of the offices or Departments concerned. The lists of officials with over 25 years' qualifying service called for in Para 8(2) of the Government Order No.1227-87/G.M.97-22-1 dated 19th January 1923, and received from the Heads of all Offices in the State contained the names of over 1800 officials among whom there were no less than 257 men who were superannuated, or about to be so, and 360 men whose continuation in service was reported to be undesirable. These lists were ~~however~~ carefully scrutinized and separate lists were made only ~~of those~~

made by clerk
in print
in a few
months

(1) of those superannuated or about to be superannuated, and

(2) of those definitely reported to be thoroughly inefficient and recommended for retirement in the interests of the service.

(18

4 The Committee decided to show the utmost leniency in the selection of officials for retirement from among those adversely reported upon by their Departmental officers and have recommended the retirement of only 44 out of a total number of 360 such men referred to above.

5 A list was also made of those who, having put in 25 years' qualifying service, had expressed their willingness to retire. Out of a total number of 67 men included in the above list, the Committee have selected the names of the 14 men shown in Annexure "C" for retirement as they consider that it is not in the interests of the service to retain them any longer.

6 As the number of vacancies due to superannuation and inefficiency were largely in excess of the number of vacancies required for the absorption of discharged officials, it was decided that the teachers with 25 years' service who though not favourably reported upon, were not yet superannuated, might be left untouched not only on account of the difficulty of replacing the large number (about 200) so reported upon but also because it was felt that the teachers' vacancies would not be as attractive to the discharged men of the various departments as vacancies in other departments. The Committee carefully considered the name of every man in the lists so prepared, and selected for retirement the officials shown in Annexures A, B, C & H - Part I. The Committee recommend that the 273 officials shown in the said annexures may be retired from service from the 1st July 1923, except in those cases where any other date of retirement has specifically been recommended, on the pension admisible to them calculated under Article 336 Mysore Service Regulations. The names of 4 Amildars who have been selected for retirement have been shown separately in Annexures H Part I in a sealed cover. The Committee have also examined the confidential reports regarding these Amildars and are satisfied that it is not in the interests of the Service to allow them to continue in it any longer.

add "and many of them would not be suitable as school-masters".

(19)

7. Among the men selected for retirement there are two who have been recommended to be retired immediately to give them sufficient time to enrol as Pleaders as prayed for by them. Their names have been shown separately for convenience in Annexure E. During the course of the examination of these lists it was found that certain officials including one Amildar had been reported to be physically unfit for further service. The Committee are of opinion that of these men those shown in Annexure F Part II of Annexure H' (Part II of Annexure H. is in a sealed cover) may be asked to appear before the District Medical Officer or a Medical Board as the case may be for examination as to their fitness for further work and may be retired from service if they are found by the Medical Officer or Board to be unfit for further service.

8 Lists of all officials discharged from the service on account of the recent retrenchments in the various departments had also been called for from all offices in the State in cir: letter No.C.B. 2701-60 dated 9th Nov 1922. From the data received separate lists were made of discharged officials who had put in not less than two years' service and of those who had put in a service of less than two years as the Committee was empowered to absorb only the former under para 8(2) of the Government Order of 19th January 1923.

9 With a view to find out the whereabouts of as many of the discharged officials as possible, and also to ascertain if any of them had since found employment, and if they had not, in what department they were prepared to re-enter service applications were invited from all discharged officials by a notification in the Mysore Gazette dated 8th February 1923. Out of the large number of discharged officials only 81 responded to the advertisement apparently because the rest either did not see the advertisement or were secure in the belief that as their names had been sent to the Government by the Heads of their departments, their cases would receive due consideration. Further many applications were received in response to it from men that stated

(20)

that they had been discharged from the service on account of retrenchment, but whose names had not been included in the lists sent by their departments. Enquiries were made of the departments in respect of each of these men. While many of these applicants were found to be those that were not really officials discharged on account of retrenchment there were some whose cases were found to have been lost sight of by the department either by misconception or by oversight; and the names of these latter were duly included for absorption into service.

10 Before proceeding to the work of absorption of the discharged officials in the vacancies created by retirement the Committee resolved, both on account of the considerable difficulty of finding suitable vacancies for a large number of discharged officials and of the improbability of comparatively aged men at the end of their service, being able to start and to do well in a completely new class or department or work, "that all discharged officials (whose names are contained in Annexure G (Part I)) who would have attained 50 years of age on or about the 1st July 1923 may be retired on such pension or gratuity as they would be entitled to if all their service is treated as permanent, and that in cases where they are not entitled to any such pension or gratuity, Government may be pleased to consider the grant of compasionate pension or gratuity.

11 To facilitate the absorption of the discharged officials of the various departments in the equally various vacancies of the men selected for retirement the lists were analysed and classified according to the nature of the work of the vacant post created and of the post from which the man had been discharged. Proposals for absorption were then made, after considering the qualification, pay, age, length of service, nature of work on which employed, etc, of the man discharged, and the needs of the place proposed for him, and were discussed by the members of the Committee. Their recommendations for absorption

(21

of the discharged officials are embodied in Annexure D.

12 Annexure G.A. Part II contains the names of those discharged officials with not less than two years' service and less than 50 years of age whom the Committee regret they have been unable to absorb in the vacancies created by retirement. These are, for the most part, either men with no qualifications at all, who had, evidently learnt to discharge the duties of their last post by mere experience and are thus hardly fit for any work of a different nature, or men like fitters and mechanics, with scarcely any general qualification whose training is so technical and specilised as to prevent their being employed elsewhere with advantage.

13. The Committee also felt that the latter class of technical men whose services are comparatively largely in demand outside Government Service, would not really be very hard hit by the loss of their employment in the service.

14 The question of the payment of Insurance Premia up to the age of 55 by those officials retired from the service under the Government Order of 19th January 1923 before attaining that age, and who are as a consequence unable to continue to pay the premia on their policy, also received the consideration of the Committee. They observe that Rule 10 of the Mysore State Life Insurance Rules offers 3 alternative courses to such officials, and consider that the following may be added as a fourth alternative, to be allowed in the case of the officials below 55 years of age whose retirement has now been recommended;-

"The premia due on his policy by the retired official from the date of his retirement to the date of his superannuation, might be treated as a debt due from the insured, carrying interest at 6 per cent and recovered from the amount of the bonus payable to him on the date

of its maturity.

15 The Committee desire to place on record their appreciation of the satisfactory manner in which the Secretary Mr.M.A.Srinivasan and his staff assisted them in their task.

Chairman.

Members.

Publish Annexure D -

Order No.

Dated, Bangalore, the June 1923.

[illegible] received from the several [illegible] Departments and Secretaries to [illegible], in response to the direction [illegible] 8 (2) of S.O. No. 1827-87/G.M. [illegible] dated 19th January 1953, continued [illegible] of over 1,300 officials who had [illegible] not less than 55 years' qualifying [illegible]. Of these, the Committee propose [illegible] list of the total number of four hundred [illegible], that of 165 other officials. Out [illegible] 60, 14 [illegible] either already [illegible] that or would be superannuated on [illegible] 31st July 1953. Forty one men have [illegible] recommended for retirement by the Committee [illegible] total number of 460 who are reported to [illegible] their service on grounds of in- [illegible], old age or misconduct; and another [illegible] list of 67 persons who had [illegible] retirement under the Government Order [illegible] laws.

[illegible] of the total number of 427 officials [illegible] whom [illegible] service discharged [illegible] retrenchment, the Committee have [illegible] that for the absorption of [illegible].

[illegible] the remaining 47, ~~18~~ are ~~those~~ [illegible] ~~who~~ [illegible] the age of 50 on or about [illegible]. The Committee recommend that these [illegible] should be retained, not only on account of the [illegible] the Ministries for the [illegible] which they officials, but also [illegible] Ministries or the State Governments [illegible] to adapt themselves to [illegible] to which

they might be posted. The remaining 25 men left unabsorbed are those for whom the Committee have not been able to find suitable places in the vacancies created by retirement, as these men are either not possessed of any qualifications or have qualifications of such technical and specialised nature that they could not be employed with advantage in the vacancies -- created.

4. The Committee recommend that two (Annexure E) out of the 273 officials selected for retirment by them might be retired immediately to give them time to enrol themselves as pleaders. They also propose that the four officials shown in Annexure F, and the Amildar mentioned in Annexure H. Part II may be subjected to Medical examination as to their fitness for further service, before being continued in the service.

5. Government have carefully considered the recommendations of the Committee, and are pleased to order as follows:-

(a) The ~~273~~ 269 officials shown in Annexures A,B,C & ~~H- Part I~~ of the report may be retired from the service from the 1st July 1923, or from the other date specifically recommended by the Committee.

(b) The 9 officials shown in Annexure E may be retired on or before the 25th June 1923.

(c) The proposals of the Committee for the absorption of the 180 discharged officials

Except three of the Amildars mentioned in Annexure H Part I viz Mr S. Srinivasan and Mr C. R. Janardanan

...t this D... the Interest:

... officials shown in Annexure ... to subject them... to a medical examination as to their ... for further service as early as ... time. The results of such examination ... be submitted to Government through ... Heads of Depts concerned.

... recommendations of the Committee ~~in regard to the retirement of the discharged~~ ~~officials where a case of one of those~~ ~~is specially considered by Government~~. that the discharged officers in Para 3 of reference in Para 3 of may be given the pension ... paid by the service ... entitled if all the ... pension may be given ... permanent ... remain separate from ... be

... will obviate any hardship ... might be felt by those officials ... or retired at before attaining ... of 60 in continuing to pay the premia ... their policies till the date of their ... when the Committee have suggested the ... of the fourth alternative, to the three ... in addition to such officials ... of the Provincial Life Insurance ... in addition to the above suggestion the ... Government will ... pay the premium due on ... policy till it matures.

... surrender the policy and receive in ... of the policy full-sum policy payable at ... or on the previous, or a reduced ... which will bear the same proportion as to ... sum assured as the amount of premium paid

paid bears to the amount payable if the insure lives till he completes his fifty-fifth year.

(3) To surrender the policy receiving a surrender value which shall be the product o the amount of a paid up policy as calculated in the foregoing clause II, and the single premium factor for the age attained by the Proposer at the time according to the table appended to these rules.

(4) To ~~have~~ the premia due on ~~his~~ the policy from the date of ~~his~~ retirement to the date of ~~his~~ superannuation, ~~treated~~ as a debt due to Government carrying interest at 6% and recovered from the amount of the bonus payable ~~to him~~ on the date of ~~its~~ maturity of the policy.

7. Heads of Departments and Secretaries to Government will be supplied with extracts of the Annexures containing the names of officials to be retired or absorbed in ~~their~~ offices under their control and they are requested to take immediate action both in regard to the retirement of officials and to the employment of discharged officials in the vacancies so created.

8. The thanks of Government are due to the Chairman and the other Members of the Committee for the able and satisfactory manner in which they have dealt with the questions referred to them.

The Retirement of Officials.

....

Passing orders re----------who have put in more than 25 years' qualifying service and the absorption of discharged officials who have put in not less than 2 years' service in the vacancies created thereby.

==========

Read--

Para 8(2) of Government Order No.1227-87/G.M.97-22-1 dated 19th January 1923 constituting a Committee for the selection of men for retirement from among officials with 25 years' qualifying service in the superior service, up to and inclusive of the grade of Amildars, and for the absorption, in the vacancies created by the retirements, of officials discharged on account of retrenchment after not less than 2 years' service.

2. Letter No.419/G.A.D. dated 27th January 1923 from the Comptroller submitting a list of Amildars and Deputy Amildars who have put in a qualifying service of 25 years.

3. Lists of officials who have put in not less than 25 years' qualifying service, received from the Heads of Departments and Secretaries to Government.

4. Letter No.2 dated 15th June 1923 from the Secretary of the Committee forwarding the recommendations of the Committee in the matter of the selection of men for retirement and of the absorption of discharged officials of not less than 2 years' service.

(Printed in extenso with annexture D).

.....

O R D E R No. G.760-819 / G.M.97-22-14 dt 9.7.23.

Dated, Bangalore, July 1923.

The lists received from the several Heads of Departments and

Secretaries to Government, in response to the direction give in para 8(2) of G.O.No.1227-87/G.97-22-1 dated 19th January 1922 contained the names of over 1,800 officials who had put in not less than 25 years' qualifying service. Of these, the Committee propose the retirement of a total number of four Amildars, and of 269 other officials. Out of these 269, 214 men are either already superannuated or would be superannuated on or about the 1st July 1923. Forty one men have been selected for retirement by the Committee out of a total number of 360 who are reported to be unfit for further service on grounds of incapacity, inefficiency or misconduct; and another fourteen men selected out of 67 persons who had applied for retirement under the Government Order referred to above.

2. Out of a total number of 227 officials with not less than 2 years' service discharged on account of retrenchment, the Committee have submitted recommendations for the absorption of 180 men.

3. Of the remaining 47, twenty two are those who would attain the age of 50 on or about 1st July 1923. The Committee recommend that these 22 men might be retired, not only on account of the difficulty of finding suitable vacancies for the large number of discharged officials, but also because they consider that these comparatively aged men are not likely to be able to adapt themselves to any new kind of work to which they might be posted. The remaining 25 men left unabsorbed are those for whom the Committee have not been able to find suitable places in the vacancies created by retirement, as these men are either not - - possessed of any qualifications or have qualifications of such technical and specialised nature that they could not be employed with advantage in the vacancies created.

4. The Committee recommend that two (Annexure E) out of the 273 officials selected for retirement by them might be retired immediately to give them time to enrol themselves as pleaders. They also propose that the four officials shown in Annexure F,

and the Amildar mentioned in Annexure H, Part II may be subjected to Medical examination as to their fitness for further service, before being continued in the service.

5. Government have carefully considered the recommendations of the Committee, and are pleased to order as follows:--

(a) The 269 officials shown in Annexures A, B, C and two of the Amildars mentioned in Annexure H, Part I of the report, viz., Mr. S.Srinivasiengar and Mr. C.N.Garudiengar may be retired from the service from the 1st ~~July~~ August 1923 or from the other date specifically recommended by the Committee.

(b) The 2 officials shown in Annexure E may be retired on or before the 25th June 1923.

(c) The proposals of the Committee for the absorption of the 180 discharged officials (Annexure D) are approved

(d) The 5 officials shown in Annexures F & H, (Part II) be required to subject themselves to a Medical examination as to their fitness for further service as early as possible. The results of such examination should be submitted to Government through the departmental officers concerned.

(e) The recommendation of the Committee that the 22 discharged officials referred to in para 3 above may be given the pension or gratuity they would be entitled to if all their service was counted as permanent, is reserved for separate consideration.

6. With a view to obviated any hardship that might be felt by those officials recommended for retirement before attaining the age of 55, in continuing to pay the premia due on their policies till the date of their maturity, the Committee have suggested the additio of a fourth alternative to the three alterative courses open to such officials under Rule 10 of the Mysore State Life Insurance Rules, Viz., to treat the premia due on the policy from the date of retirement to the date of superannuation as a debt due to Government carrying interest at 6% and recovered from the amount of the bonus payable on the date of maturity of the policy. This proposal is - - - approved.

Heads of Departments and Secretaries to Government will be
d with extracts of the Annexures containing the names of
als to be retired or absorbed in the offices under their
ol and they are requested to take immediate action both in
ard to the retirement of officials and to the employment of dis-
rged officials in the vacancies so created.

8. The thanks of Government are due to the Chairman and the other members of the Committee for the able and satisfactory manner in which they have dealt with the questions referred to them.

REPORT OF THE PROCEEDINGS OF THE COMMITTEE APPOINTED UNDER GOVERNMENT ORDER No. 1227-87—G. M. 97-22-1, DATED THE 19TH JANUARY 1923, FOR THE SELECTION OF MEN FOR RETIREMENT FROM AMONG OFFICIALS, WITH OVER 25 YEARS' SERVICE AND FOR THE ABSORPTION OF OFFICIALS DISCHARGED ON ACCOUNT OF RETRENCHMENT AFTER NOT LESS THAN 2 YEARS' SERVICE.

The Committee commenced its sittings on the 30th April 1923, and met again on the 8th May, 25th May and 1st June 1923.

2. Mr. Bhore, Chief Engineer for Irrigation in Mysore, was present by invitation at the last two meetings of the Committee.

3. According to the instructions of Government contained in the Chief Secretary's D. O. No. 4580, dated 13th March 1923, selection for retirement was made only from among those officials who had either attained the age of superannuation (or would attain that age on or about the 1st July 1923) or had been definitely reported to be inefficient and therefore recommended for retirement by the Heads of Offices or Departments concerned. The lists of officials with over 25 years' qualifying service called for in para 8 (2) of the Government Order No. 1227-87—G. M. 97-22 1, dated 19th January 1923, and received from the Heads of all Offices in the State contained the names of over 1,800 officials among whom there were no less than 257 men who were superannuated, or about to be so, and 360 men whose continuation in service was reported to be undesirable. These lists were carefully scrutinized and separate lists were made only,

(1) of those superannuated or about to be superannuated, and

(2) of those definitely reported to be thoroughly inefficient and recommended for retirement in the interests of the service.

4. The Committee decided to show the utmost leniency in the selection of officials for retirement from among those adversely reported upon by their departmental officers and have recommended the retirement of only 42 out of a total number of 361 such men referred to above.

5. A list was also made of those who, having put in 25 years' qualifying service, had expressed their willingness to retire. Out of a total number of 68 men included in the above list, the Committee have selected the names of the 15 men shown in Annexure "C" for retirement as they consider that it is not in the interests of the service to retain them any longer.

6. As the number of vacancies due to superannuation and inefficiency was largely in excess of the number of vacancies required for the absorption of discharged officials, it was decided that the teachers with 25 years' service who though not favourably reported upon, were not yet superannuated, might be left untouched, not only on account of the difficulty of replacing the large number (about 200) so reported upon, but also because it was felt that the teachers' vacancies would not be as attractive to the discharged men of the various departments as vacancies in other departments and many of them would not be suitable as school masters. The Committee carefully considered the name of every man in the lists so prepared, and selected for retirement the officials shown in Annexures A, B, C, and H. (Part I). The Committee recommend that the 276 officials shown in the said annexures may be retired from service from the 1st July 1923, except in those cases where any other date of retirement has specially been recommended, on the pension admissible to them calculated under Article 336, Mysore Service Regulations. The names of four Amildars who have been selected for retirement have been shown separately in Annexure H., Part I, in a sealed cover. The Committee have also examined the confidential reports regarding these Amildars and are satisfied that it is not in the interests of the service to allow them to continue in it any longer.

7. Among the men selected for retirement there are two who have been recommended to be retired immediately to give them sufficient time to enrol as Pleaders as prayed for by them. Their names have been shown separately for convenience in Annexure E. During the course of the examination of these lists, it was found that certain officials including one Amildar had been reported to be physically unfit for further service. The Committee are of opinion that of these men those shown in Annexure F. and Part II, Annexure H. (Part II of Annexure H. is in a sealed cover) may be asked to appear before the District Medical Officer or a Medical Board, as the case may be, for examination as to their fitness for further work
